Every hour of every day a teen is killed
or injured after being hit by a car.

A young man with short dark hair, wearing a dark blue t-shirt with a graphic and light blue jeans, is walking on a city street. He is looking back over his right shoulder towards a dark blue car parked behind him. In his left hand, he carries a red folder or book, and in his right hand, he holds a small black object, possibly a phone. A white car is partially visible in the foreground on the right. The background shows a residential street with houses and trees.

Make eye contact with drivers.
